The Vancouver Respect Forum Convenes

April 6th 2022

09:00 AM to 12:00 PM

AT

St. John Ambulance
6111 Cambie Street
Vancouver

The RESPECT Forum cordially invites you to attend the upcoming Vancouver event to share knowledge of your organization's work aiding veterans from the armed forces and first response services as well as their families who may be contending with the consequences of operational stress injury, addiction, and/or homelessness. Networking is fundamental to our purpose and we are gathering together representatives of a wide range of service providers, universities, community organizations, and peer support groups with a view to promoting collaborative efforts that may evolve into lasting synergies. The door opens with coffee and muffins awaiting you at 8:30 AM

Please note we have the safety of all of our participants at front of mind. In conjunction with the provincial public health guidelines masks will be optional. We expect that all of our participants are fully vaccinated and we ask that anyone who is symptomatic of any of the signs suggestive of the corona virus please notify the facilitator and not attend.
